)

CASE NO. 06-10638

DECISION AND ORDER

At Fort Wayne, Indiana, on May 11, 2006.

This case was dismissed on May 4, 2006, due to the debtor's failure to file a scanned copy of the originally signed signature pages as required by the court's order authorizing electronic case filing. Fifth Amended Order Authorizing Electronic Case Filing ¶ 11. On May 7, 2006, the debtor filed an amended motion to reinstate this case apparently asking the court to vacate the order of dismissal. The motion is insufficient. To the extent that the motion should be construed as a request to alter or amend the court's order, filed pursuant to Rule 59(e), it fails to identify any error of law or fact, see, Deutsch v. Burlington Northern R. Co., 983 F.2d 741, 744 (7th Cir. 1993)(citing Figgie International, Inc. v. Miller, 966 F.2d 1178, 1180 (7th Cir. 1992)), and has not been accompanied by a brief in support thereof as required by the local rules of this court. N.D. Ind. L.B.R. B-9023-1.

Debtor's amended motion to reinstate this case is therefore DENIED.

SO ORDERED.

/s/ Robert E. Grant
Judge, United States Bankruptcy Court
